TOOK PARIS GREEN.

Dexheimer Attempts Suicide in Thompson Street Saloon.

Adolph Dexhelmer, a cook out of employment, attempted suicide at 12.15 to-day, in August Zimmermann's saloon, at 143 Thompson street, by swallowing Paris green. He is thirty-two years old.

raris green. He is thirty-two years old, and lived with his wife and four small children in a furnished room at 172 Bleecker street.

About four years ago Dexhelmer came into an inheritance of \$4,500 by the death of his father, in 1885, who left property on West Houston street to be divided equally between the widow and two sons.

two sons.

He squandered the money in less than a year, and since led an erratic life.

The last year his health began to fall him, and he has been in the hos-

fall him, and he has been in the hos-pital several times. He entered the saloon at just 12 o'clock, sat down at a table, ordered a glass of beer and drank it. Then he walked over to the lavatory and emptied the contents of an ounce box of Paris green into his mouth, which he washed down with a glass of water, and threw the empty box out of the window.

out of the window.

He instantly became violently ill and vomited out most of the poison. When the two policemen who had been summoned from the station entered the salcon Dexheimer was unconscious, and was taken to St. Vincent's Hospital, where it was said late this afternoon that he might recover.

The only brother of the would-be suicide is employed in a big establishment down town, and is well to do.

His mother, who is still alive, owns considerable property, but has refused to have anything to do with her wayward son for some time past.
